Speaker Notes

Presenter-only notes with Touying

BIPS

Leibniz Institute for Prevention Research and Epidemiology — BIPS

Attaching a Note

LOGO

Replace with your own

Write `#speaker-note[...]` immediately after a slide call. The note stays out of the slide and is delivered only to the presenter.

- Record notes for export: `config-common(enable-pdfpc: true)`
- Show them beside each slide (as in this deck): `config-common(show-notes-on-second-screen: right)`

Notes with Animations

First point.
